

JIZZAKH REGION - THE LAND OF HEALING NATURE

Jizzakh oasis has a centuries-old history, and the nature of the region enchants from the first view.

You can meet nut, almond and juniper groves here. There are many healing sources of water in the mountainous and foothill areas, and the region is famous for its clean and healing air.

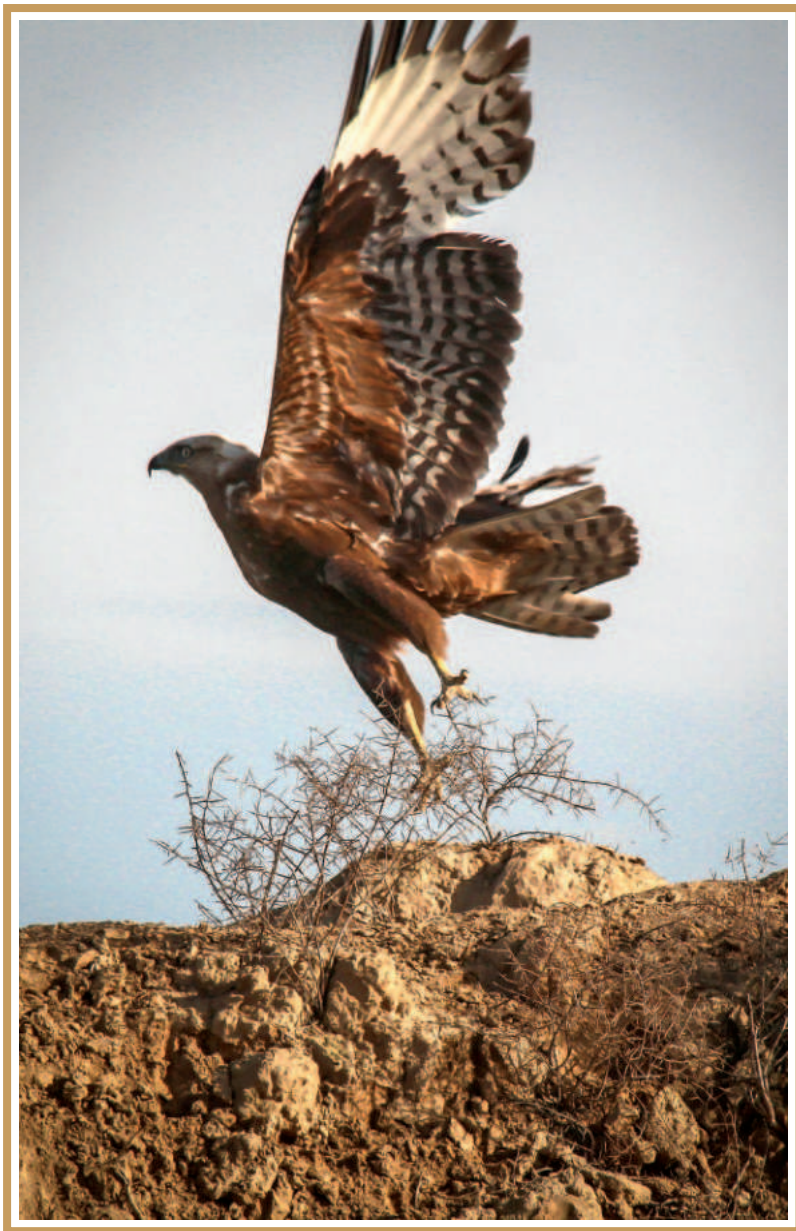

Currently, special attention is paid to the development of tourism, especially ecotourism. In the Jizzakh region you can see the amazing underground ways called “Temir darvoza” in the Baghmal and Gallaaral districts. On the south-east edge of the Kyzylkum desert in the Jizzakh region, lake Aidarkul amazes with its magnificence.

There are two national reserves in the territory of the region - Arnasay and Zaamin ones. There is a national park.

The territory of Jizzakh region is famous for its rich biodiversity and picturesque natural areas, as a result of which it was nicknamed the little Uzbek Switzerland.
